

## **PHOENIX ANNOUNCES MEMBERSHIP IN INTERNATIONAL MARINE CONTRACTORS ASSOCIATION**

For Immediate Release – March 31, 2008

Houston, Texas -- Phoenix International Holdings, Inc. (Phoenix) announces its membership in the International Marine Contractors Association (IMCA). IMCA member organizations work to define and initiate guidelines that reflect the industry's best practices in Marine, Survey, Diving, and ROV operations. Registered as a Contractor in the Americas Deepwater Section, Phoenix continues to position itself as a preferred subsea construction support contractor in the Gulf of Mexico. IMCA goals resonate with Phoenix's core philosophy of providing safe, practical solutions to the underwater challenges of its Customers.

Phoenix provides manned and unmanned underwater operations, design engineering, and project management services to clients in the offshore oil & gas, defense, and other ocean-interest industries worldwide. Expertise in the areas of wet and dry hyperbaric welding, conventional and atmospheric diving, robotic systems, and tooling is available from six regional offices. Our capabilities support subsea construction; subsea tieback; infield development; inspection, maintenance and repair; deep ocean search & recovery; and submarine rescue.
